

Australian Securities Exchange  
Company Announcements

20 November 2013

### **Resignation of Director**

Dr Roger Aston has advised the board that following his appointment as Executive Chairman of Pharmaust Limited he will no longer be able to devote the necessary time and resource to add value as a director of IDT Australia Limited and as such has tendered his resignation effective immediately.

Dr Aston has been a director of IDT Australia Limited since 20 March 2012. The board wishes to thank Dr Aston for the knowledge and experience he has contributed to IDT and wishes him all the best in his new endeavours.

The board will undertake a review of the composition and skill requisites of the current board and advise the market accordingly.

Dr Paul MacLeman  
Chief Executive Officer

---

IDT Australia Ltd (ASX:IDT) is a public Australian pharmaceutical manufacturing company. Based in Boronia, Victoria and with 25 years' experience in the development and production of high potency and high containment pharmaceutical products for local and international clients, IDT's extensive facilities are fully cGMP compliant and are regularly audited by the US FDA and Australian TGA. With an experienced and professional team, operating within world-class facilities, IDT is committed to providing a full-scale service for new drug development and scale-up, commercial active drug manufacture as well as a variety of finished drug dose forms.

Through CMAX, its clinical research services business based at the Royal Adelaide Hospital in South Australia, IDT also provides full Phase I clinical trials management and delivery, recruitment in specific disease states for Phase II and Phase III trials as well as being able to offer trial packaging, distribution and pharmacy services from the cGMP Boronia facilities.
